

Welcome to Airbnb

Airbnb connects people around the world to travel experiences they'll never forget.

Our story

Airbnb was founded in 2008 by Joe Gebbia, Brian Chesky, and Nathan Blecharczyk. The idea came about when they realized they could rent out air mattresses in their apartment to attendees of a design conference in San Francisco. Since then, Airbnb has grown into a global company with over 4 million listings in 191 countries.

Our mission

Airbnb's mission is to create a world where anyone can belong anywhere. We believe that when people feel like they belong, they can make the world a better place.

How it works
